Parents are the best and the most efficient teachers and guides of their children who prepare intensively for the First Communion. Make sure that your children know the meaning of the Sacrament of the Eucharist, the significance of its reception as Communion and of the sanctity of the recipient to be attained by the Sacrament of Penance (Confession).

On Friday, **27.May at 18.30 hours** all candidates with their parents should be present for a General Practice at Meidling. The Confession for the candidates will take place on 28th May, Saturday after the Holy Mass at 9.00 in Meidling and in Stadlav..

The candidates seats will be arranged in the church on the first row in alphabetical order. They will be directed to receive the Holy Communion in front of the Altar. They must bring their own Candle and Dress preferably in black or white on the Communion day. They must be present in the church at 09.00 am on that day.

Photographers will not be allowed to enter into the area of the Altar (Madubaha). The ICC Homepage will display the photos of those who receive the First Communion.

Note: Reminding very gently to pay the Yearly Contribution to ICC, if you have any dues.
